STORAGE CLOSING NOTICE

Notice is hereby given that the water right listed below is closed. The Department will routinely monitor the water level in your reservoir and, when appropriate, will notify you of any required releases of water that have been impounded by your reservoir. You will not be required to release water stored prior to the Effective Date of this notice.

Water Right	Priority Date	Source of Water	Carrier
A-11281	12/5/1967	Buffalo Creek	Brunswick Reservoir Closed

Reason For Notice: ORDER issued by the Director of the Department of Natural Resources
Dated January 1, 2013

Water diversion has been restricted for the protection of Republican River Compact allocations. Any water impounded after the Effective Date of this notice is subject to release upon further notification by an official of the Department of Natural Resources.

Any person violating this order shall be subject to the penalty provided in *Neb. Rev. Stat.* § 46-254, which reads as follows:

Any person owning or in control of any ditch, reservoir, or other device for appropriating or using water who willfully opens, closes, changes, or interferes with any headgate or controlling gate, or by any method or means takes any water from any natural stream, reservoir, or other source, through any ditch or canal to any land or lands, or allows the same to be done, or uses or allows to be used any water upon any land or lands, or for any other purpose whatsoever, without authority from the Department of Natural Resources, or who stores water in or releases water from a reservoir other than in compliance with orders of the Director of Natural Resources or his or her representative, shall be guilty of a Class II misdemeanor. Each day that the water is allowed to run without authority from the department shall constitute a separate offense.

Effective Date: January 1, 2013
